Guidelines for exhibitors on the rental of wall panel -

1. Do not Spray, use glue or silicone on the booth panels.
2. Do not drill, nail, perforate, tack down, staple or cause any damage to the booth panels or any parts of the standard shell scheme booth. Should you need to affix any exhibit or sign to the booth panels please contact the official shell scheme agency.
3. All decorative textiles fabrics / wooden material must be either inherently fire retardant or treated with a fire-retardant chemical (FR).

Note: In case of violation on the above rules, the official shell scheme booth agency will be obligated to request the payment from exhibitor for any damage caused at the rate of INR 3,000.00 per panel.

Heat emitting light fittings such as halogen fitting and incandescent bulbs more than 100 watt should not be used for stand.
