INDIA- THE GLOBAL 'ONE SOURCE' IN AN UNCERTAIN WORLD:

With strengths across the value chain, abundance of raw material, skilled manpower and a competitive manufacturing ecosystem, India today is a preferred, reliable and stable one-source of supply. Visit this event to experience firsthand the Indian capabilities across the entire textile value chain and discover new business associates, buyers and suppliers.

DISCOVER HOW INDIAN COMPANIES ARE LEADING THE WORLD IN CIRCULAR PRACTICES.

Bharat Tex 2025 celebrates sustainable and circular practices inherent to India as well as new innovations driving the green momentum in the country. This event will highlight the developments made by India towards resource efficiency, clean and green energy and advances made by the India's textile clusters and companies towards addressing global sustainability issues.
